The image shows a large-scale event in a modern, semi-circular auditorium. The audience, consisting of many people, is seated in tiered rows, facing a stage. On the stage, a speaker is visible, and a large projection screen displays a presentation. The presentation includes a logo for 'Swiss Cyber Storm 2019' with the tagline 'Embracing the Hackers', a green Sharpie marker, and a photograph of a man in a pink shirt. The stage is lit with warm lights, and the background features red curtains. The overall atmosphere is professional and high-tech.
